

Dear Parent/Guardian,

Junglesport Inc. climbing and adventure programs are coming to our school!

Junglesport has run programs in schools across Ontario and Quebec for over 15 years, serving over 100,000 participants every year. Their programs have been designed to benefit students of all ages, abilities and needs. It is board approved and full liability insurance is in place.

The philosophy behind their programs is S.A.F.E. – Safe, Active, Fun, Educational.

Junglesport sets up its climbing jungle gym in our school gymnasium and two qualified Junglesport instructors guide the students through a range of climbing and ropes course activities. There is always one teacher per class present in the gymnasium as well.

Junglesport supplies all the safety equipment required for all activities and each student is provided with a helmet and where appropriate, a harness. The helmets are constructed of a material that does not harbor lice and are cleaned on a regular basis. All Junglesport activities follow strict safety rules.

Some of the activities on offer are: Wall Climbing; Traversing; Low Ropes; Ascending & Descending Static Lines; Obstacle Courses; Zip Ride and Gorilla Gym! The activities take place on the Junglesport structure in the safety and security of the school gymnasium.

Students will have the opportunity to try different activities, learn new skills, achieve success and increase self-awareness. To find out more information about Junglesport please visit their website www.junglesport.ca or facebook.com/JungleSport.
