

Dear Parent/Guardian of a child at Pilgrim Wood Public School,

In our effort to increase school effectiveness, the Halton District School Board is inviting you to participate in our online *Have Your Say* survey. As our partner in education, your input is valued and appreciated. We recognize your involvement is critical to student success which is why we're inviting you to complete this online survey to tell us what you think about Pilgrim Wood Public School.

We are inviting parents to respond to questions related to their child's school, such as: learning opportunities, communication, involvement in the school, technology use, equitable and inclusive learning environments, and transportation.

The information gathered from the survey will help our school continue to create a positive environment, inform our School Improvement and Well-Being plans, and allow parents to have a voice in creating a supportive community at Pilgrim Wood Public School.

The survey will be open to all parents of children in the Halton District School Board from **February 5, 2018 to March 9, 2018**.

Your responses are anonymous and the questionnaire will take approximately 10 minutes to complete. Surveys are available in the following languages: Punjabi, Urdu, Arabic, Mandarin, and Hindi.
